DOJ Declassification/Release Decision on File

Mr. Sheffield Edwards
Director of Security
Central Intelligence Agency
Washington, D.C.

Dear Mr. Edwards:

After carefully considering your letter of June 23, 1959 it has been determined that the class of aliens under discussion is exempt from the registration requirements of the Immigration and Nationality Act. This requirement is waived on a basis of reciprocity as prescribed in 8 CFR, 263.2. The Department of State has informed this Service that no other nation requires fingerprinting of visitors.

It should be noted that this waiver applies only to aliens who maintain nonimmigrant status and depart from the United States within one year of admission.

Sincerely,

Wendel Edgren
